RE: Requested documents and back-up for the
Fairfield Ludlowe High School proposed project

At the Board of Selectmen meeting last week, May 1, 2013 we proposed the Fairfield Ludlowe High School projects consisting of the new window replacement, new roof replacement, and the renovation and addition of a portion of the school for the increasing enrollment. During the meeting we documented some additional information requested from you and we also received a list of requests from the First Selectman's office.

Attached please find all the requested documentation to further help understand the project and to support the project for approval. We will be prepared to explain the attachments and be available for further questions at the next BOS meeting scheduled for May 15, 2013.

Thank you.
