AGREEMENT

THIS AGREEMENT IS MADE AND ENTERED by and between the Fairfield Board of Education (hereinafter referred to as the "Board") and the Fairfield School Administrators' Association (hereinafter referred to as the "Association").

ARTICLE I

GENERAL

Section 1

This Agreement is negotiated under Section 10-153 (a) through 10-153 (g) of the General Statutes of the State of Connecticut, as amended in order:

- (a) To fix for its term the salaries and all other conditions of employment provided herein, and;
- (b) To encourage and provide effective and harmonious working relationships between the Board and the Administrative Staff in order that the cause of public education may best be served.

Section 2

The Board and the Association recognize the importance of responsible participation by the entire professional staff in the education process, planning, development and growth. To this end both parties agree to maintain communication to inform about programs, to guide in development and to assist planning and growth either by committee, individual consultation or designated representatives.

Section 3

This Agreement shall constitute the full and only policy of the Board and the Association in the subject areas covered by the specific provisions of this Agreement for the duration of the Agreement unless changed by the mutual consent of both parties or pursuant to ARTICLE XVII hereof. Previously adopted policies, rules or regulations of the Board of Education in conflict with this Agreement are superseded by this Agreement.

ARTICLE II

RECOGNITION

The Board hereby recognizes the Fairfield School Administrators' Association as the exclusive representative of all those certified professional employees in the Fairfield school district who are not excluded from the purview of Sections 10-153a to 10-153n, inclusive, of the Connecticut General Statutes, who are employed in positions requiring an intermediate administrator or supervisor certificate, or the equivalent thereof, and whose administrative or supervisory duties shall equal at least fifty percent of the assigned time of such employee.

ARTICLE III

AGENCY SHOP

Section 1

Within thirty (30) days after employment, or the execution of this Agreement, whichever is later, all members of the bargaining unit shall have the opportunity to join the Association and execute an authorization permitting the deduction of union dues and assessments.

Section 2

Any member of the bargaining unit who has not joined the Association during such period, or having joined, has not remained a member, shall immediately execute an authorization permitting deduction of a service fee which shall be no greater than the proportion of union dues uniformly required of members to underwrite the costs of collective bargaining, contract administration and grievance adjustment. The Association shall be required to notify the school Board sufficiently in advance of issuance of the first employee paychecks of the amount of such service fee. It is understood that the payment of such sums shall not constitute an agreement to become a member of the Association.

Section 3

In the event that a member of the bargaining unit does not join the Association or pay the required service fee by the thirtieth (30th) day as required, that member shall be terminated. The Personnel Office shall institute the necessary procedures for termination provided the Association has complied with the following:

(a) Sending written notice to the employee (copy to the Personnel Office) that he has not fulfilled his obligations by the requisite date or reasonable period of time thereafter, and that a request for his termination was being made to the Board.

(b) By stating in the request for termination that such request is in conformance with the provisions of this Article that the employee has not complied with his obligations and that it is an official request of the Association.

(c) As a condition of the effectiveness of this Article, the Association agrees to indemnify and save the Board harmless against any and all claims, demands, costs, suits or other forms of liability and all court or administrative agency costs that may arise out of, or by reason of, action taken by the Board for the purpose of complying with this Article.

Section 4

The Board shall deduct the service fee from the salary of non-members of the Association bi-weekly and remit the same to the Association treasurer.

ARTICLE IV

TRANSFER & ASSIGNMENTS OF ADMINISTRATORS

Section 1

- A. A transfer is a reassignment from one position to another (except a promotion) or from one location (home base) to another, a modification of a position or change or reclassification in the formula for determining position differentials. Any transfer shall be at the discretion of the Superintendent in the best interest of the school system.
- B. Transfers shall be made after staff has been made aware of opportunities which might exist for voluntary transfers and the meeting of requests and/or preferences of the individual staff member. It is recognized that some involuntary transfers are unavoidable and that frequent transfers can be disruptive to both the program and the individual.
- C. Any employee affected by a potential transfer will be provided an opportunity to discuss the transfer with the Superintendent (or designee) in advance of the decision.

Section 2

- A. If an involuntary transfer results in the administrator being placed into a lower administrator's category salary then he/she will be placed on the highest step of the appropriate degree column of the respective new administrator's salary schedule such that if possible one will make no less on a per diem basis than earned in the prior assignment from which reassigned.
- B. When it becomes necessary to transfer an administrator resulting in a diminished salary level, the Superintendent shall make reasonable effort to provide appropriate additional employment for the administrator to help mitigate the salary loss involved.
- C. No person shall be reduced in pay except for cause as set forth in the criteria listed in Section 10-151 of the Connecticut General Statutes.

ARTICLE V

REDUCTION OF ADMINISTRATIVE STAFF/ELIMINATION OF POSITION

It is understood that it is within the discretion of the Board of Education to reduce the educational program, curriculum, or staff. Further, it is understood that the Board of Education is committed to the policy of recruiting and retaining the best-qualified staff. The criteria used for the selection and retention of staff shall be those which permit the employment/retention of the best qualified.

If, in the Board's opinion, it is necessary to reduce the administrative staff within particular Administrative Classifications (Section F below), the following procedures will be followed:

- A. Should reduction be required, staff will be released within categories in the order listed below:
- a. Non-tenured staff
 - b. Tenured staff with Provisional Certificates
 - c. Tenured staff with Professional Certificate and less than ten (10) years of contractual service in the Fairfield Public Schools.
 - d. Tenured staff with Professional Certificate and ten (10) or more years of service in the Fairfield Public Schools.
- B. Where there are more individuals within the category than necessary to reduce, least senior administrators shall be terminated before more senior administrators, provided that those administrators remaining are, in the judgment of the Superintendent, the most qualified to perform the work available after the reduction. This shall be based upon the following criteria: education, certification, unique qualifications, salary status, and job description analysis.
- C. In determining those best qualified within a category, the following point system will be used:

Education:

has an undergraduate and graduate major directly related to the classification	10 points
has either an undergraduate or graduate major directly related to the classification	8 points
has a graduate or undergraduate minor directly related to the classification	6 points

Certification:

possesses a certificate valid for assignments other than classroom teaching and administration	5 points
--	----------

Unique Qualifications:

within the category, is uniquely qualified by training or experience (i.e., the only person in the category) to perform an existing assignment	20 points
--	-----------

Salary Status:

Earned Doctorate	10 points
------------------	-----------

7th Year	8 points
6th Year	6 points
Master's	4 points
Bachelor's	2 points

Job Description Analysis:

- a. The employee's immediate supervisor will complete an analysis of the extent to which the administrator successfully completes the requirements of the job description and the resulting impact on the quality of the instructional or non-instructional program. The Superintendent shall assign points under this Job Description Analysis as follows:

Not up to Fairfield Expectations	20 points
Up to Fairfield Expectation	0 points
Beyond Fairfield Expectations	+20 points
Greatly Beyond Fairfield Expectations	+45 points

- b. The category of "Not Up to Fairfield Expectations" will not be assigned to a staff member under any item in the job description unless the staff member has been previously made aware, formally or informally, of the concern by the immediate supervisor.
- c. Individuals may request a conference prior to the completion of the Job Description Analysis by the immediate supervisor at which at least the following might be accomplished: (a) the individual and the supervisor will discuss those persons to be "consulted" in the preparation of the Job Description Analysis; (b) the individual might provide the immediate supervisor with any information of which the supervisor might not be aware which is appropriate to the Analysis.
- d. Staff members may add comments at the bottom of the Job Description Analysis before it is submitted to the Superintendent if they feel the Job Description Analysis is not fully representative of their qualifications. The immediate supervisor shall review and comment upon any such addition.
- e. Job Description Analyses will be used only for the purpose of Reduction in Force.
- f. Reviews of point assignments will be undertaken by the Superintendent or designee where it is felt that there may have been an error in computation or in the assignment of points.
- g. In the event an administrator is displaced to an administrative classification with a salary lower than that which the displaced administrator previously enjoyed, such administrator's salary shall be 100% of the Administrator's salary in the first year of displacement; 50% of the difference in the salaries in the second year of displacement. After the second year, the Administrator shall receive the salary of the lower level administrator.

h. In the event an administrator is displaced to a teaching position, then, upon the happening of such event, the displaced administrator shall be paid a separation allowance. The separation allowance will be paid in ten (10) equal installments each year commencing on September 1st of the first school year of displacement and computed annually as follows: 100% of the Administrator's salary in the first year of displacement; 50% of the difference in the salaries in the second year of displacement. After the second year, the Administrator shall receive the salary of the teacher. The staff with the highest accumulation of points awarded will be retained and/or recalled first. In the event of a tie in the total number of accumulated points;

1. The employee with the greatest number of points under the Job Description Analysis shall be retained or recalled first.
2. In the event that there still exists a tie, the employee with the greatest number of years of Fairfield experience under contract in the Classification shall be retained or recalled first.
3. In the event that there still exists a tie, the individual with the greatest number of years under contract in assignments covered by this bargaining unit shall be retained or recalled first.
4. In the event that there still exists a tie, then the individual with the greatest number of years under contract in the Fairfield Public Schools shall be retained or recalled first.
5. In the event that there still exists a tie, then the Superintendent will make a recommendation to the Board of Education whose decision shall be final.

D. If, through the above process, an Administrator is subject to Reduction In Force, he/she will be offered an administrative opening, if one exists in any other classification of equal or lower salary, for which the individual is qualified.

E. Recall:

- a. Any administrator who, through this process, has been reduced in salary or separated from employment, shall be placed on a re-appointment list and shall remain thereon until re-appointment or for two (2) years, whichever shall first occur, provided such administrator does not refuse a re-appointment.
- b. Administrators shall be recalled to positions for which they are qualified based upon the points previously awarded under Paragraph C above. If re-appointment is offered and is refused, the administrator shall be removed from the re-appointment list.
- c. Individuals on the recall list shall be notified by certified mail of the offer of a position. Said notification shall be sent to the last known address of the individual.

- d. Notice of the acceptance of the offer must be made by certified mail addressed to the Superintendent of Schools and postmarked two weeks from the date of notification identified in Paragraph c. above.
 - e. An administrator's refusal to accept a position under the recall procedures when the position offered is less in full time equivalency (FTE) or lower salary classification than that held by the individual when separated, will not cause the individual's name to be removed from the recall list.
- F. Classifications referred to in Article V have a work year of 225 days and 23 vacation days. Five vacation days may be taken during the student year with the prior approval of the Superintendent or his/her designee:

- C. Any position which may be vacated temporarily by an administrator for a period, not to exceed a year, or where for an example the appointment may not exist beyond one year, then the administration may fill said assignment with an interim appointment.

ARTICLE VII

GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. - Purpose

The purpose of this procedure is to secure at the lowest possible administrative level, equitable solutions to problems which may arise from time to time with respect to the provisions of this Agreement. Both parties agree that these proceedings shall be kept as informal and confidential as appropriate at any level of the procedure.

Section 2. - Definitions

- A. A grievance is a violation of the rights of employment allegedly caused by a misinterpretation, misapplication or inequitable application of the Collective Bargaining Agreement or Board of Education policy and the Memorandum of Understanding regarding "Reduction of Administrative Staff/Elimination of Position" dated December 12, 1989. A grievance may also include a claim of failure to follow the established procedures of evaluation programs, per §10-151b(a) of the Connecticut General Statutes.
- B. Administrator shall mean any certified professional employee member of this bargaining unit and may include a group of Administrators similarly affected by a grievance.
- C. "Days" when referred to in the time limits hereof, such shall mean days when schools are in session.

Section 3. - Informal

In an effort to resolve the issue, the individual (and/or representatives of the Association) who is aggrieved may discuss the matter informally with his or her immediate supervisor or the person whose decision or action gave rise to the grievance, who, for the purposes of this grievance procedure, shall be referred to as "supervisor". No formal written records are maintained at Section 3.

It is understood that the grievant has attempted to resolve the problem on his/her own before initiating the formal level.

Section 4. - Formal

Failing a resolution of the issue at the informal level in Section 3, the aggrieved individual shall file a written statement of the grievance within thirty (30) days of when the grievant knew or should have known of the act or acts or circumstances upon which the grievance is based with the Superintendent. The written statement will contain the following:

- A. A statement of the nature of the dispute.
- B. A citation of the specific contract or policy language alleged to have been violated (or past practice, policy, and regulation).
- C. A terse statement of what action has given rise to the grievance.
- D. A statement of what remedy the grievant is seeking.

Step 1. - Superintendent's Level

The Superintendent of Schools will schedule a meeting which will take place within five (5) days of receipt of the grievance. Effort will be made at the grievance meeting to resolve the differences between the parties to the dispute. If the grievant and/or The Association and Superintendent agree, however, a meeting may be waived. If a resolution is not possible, the Superintendent will issue a written decision on the matter within five (5) days of the meeting or receipt of the written grievance statement if no hearing is held.

Step 2. - Board of Education Level

If the aggrieved and/or The Association is not satisfied with the Superintendent's decision, he or she may, within five (5) days after the decision, submit the grievance for appeal to the Board. The Board shall, no later than its next scheduled meeting, or within fifteen (15) days, whichever occurs first, meet with the grievant and any representative of The Association for the purposes of hearing the grievance and making a determination in the matter. The Board shall render its decision and the reasons therefore in writing to the aggrieved person with copies to The Association within three (3) days after such meeting.

Step 3. - Arbitration

If The Association is not satisfied with the disposition of the grievance by The Board, it may, within ten (10) days of receipt of such Board decision submit the grievance to arbitration by filing a demand for arbitration with the American Arbitration Association and notifying the Board in writing. The Chairman of The Board and the President of the Association, or their designated representatives shall, within five (5) days after such written notice, jointly select a single arbitrator or request from AAA their listing of available arbitrators. If the parties are unable to agree upon an arbitrator, it is agreed that the selection of an arbitrator shall be determined by the then existing rules and regulations of the American Arbitration Association. The arbitrator shall be without power or authority to alter, amend, delete or disregard provisions of this Agreement, and the arbitrator shall

be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the provisions of the Agreement. The decision of the arbitrator shall be binding with regard to grievances claiming a misinterpretation, misapplication or inequitable application of the Collective Bargaining Agreement or the Memorandum of Understanding regarding "Reduction of Administrative Staff/Elimination of Position" dated December 12, 1989. For alleged misinterpretation, misapplication or inequitable application of policy, the decision shall be advisory unless the parties agree in writing beforehand that such decision shall be binding upon all parties of interest. The cost for the services of the arbitrator shall be borne equally by the Board and the Association. Nothing shall prevent either party from attempting to modify, vacate, or enforce such decision in court.

Section 4. - General Provisions
