You are here: Entering a request

Entering a request

To enter a facility rental request, make sure that you are on the **Schedule Request** tab at the top of the screen. If you are not, simply click on the tab to access the schedule request form. **All fields with a red checkbox are required and must be filled out in order to submit the request.*

On the Schedule Request tab, you will need to choose the type of schedule you are requesting; Normal, Recurring, or Irregular.

- A **Normal** schedule can be for a single date or multiple dates, but each event will be in the same location/room at the same time of day. You can add up to 20 dates on a normal schedule.
- A **Recurring** schedule would be used for an event that takes places on a regular basis (say every Monday and Wednesday from October through December). These events will also be in the same location/room at the same time of day. You can enter up to 100 dates on a recurring schedule.
- An **Irregular** schedule can be used for single or multiple dates. Each event can take place in different rooms and at different times, if needed. You can add up to 20 dates on an irregular schedule.
