To the Fairfield Public Schools' Staff:

Due to significant, ongoing concerns related to safety and numerous power outages, the opening of the Fairfield Public Schools for students has been delayed until **Tuesday, September 6, 2011**. We currently have 8 schools without power and 25 roads closed due to fallen trees and power lines. **Further postponements may be necessary as more information becomes available.**

At this time our plans are as follows:

Wednesday, August 31st

- All 12 month staff, 10.5 month secretaries, and all tech staff are to report to work at their regular time.
- Elementary School Meet & Greet sessions are **cancelled**.
- Middle School Sixth Grade Orientations are **cancelled**.
- High School Ninth Grade Orientations have been **rescheduled for Friday, September 2.**

Thursday, September 1st

- Full district professional development day for all certified staff.
- Please see Protraxx or the website for details.
- Rescheduled PMT Training from August 31st

Friday, September 2nd

- First day of work for paraprofessionals and special ed trainers.
- Rescheduled Ninth Grade Orientation.
- Building based activities for all certified staff. Please see your building administrator for details.
- Rescheduled PMT Training from September 1st.

Any changes to the above will be communicated to you as soon as possible. **Please continue to check the Fairfield Public Schools website and the media.**

Thank you for your understanding and cooperation.
