

The Fairfield Schools Infinite Campus Portal: Parent Guide

This is the first screen you will see. The Child's picture in this example has been redacted, but would be in this location if you have one child enrolled in the Fairfield Public Schools. If there are notices from the district or the school, or messages posted to your Infinite Campus in box you would find them in the mid-section.

There is a portal app for smart phones as indicated on this screen. Our district ID which is required to add this app to your smartphone is: **GRQDNG**

If you have multiple children in the district, you will see a slightly different screen, as shown below.

Note the "select a student at the top of the screen. Click on the down arrow, and you will be able to select the student you wish to review, and more options will show on the left.

If you do not select a student only household information will appear. You must select a student to review items such as grades, attendance and assignments.
