

Great Start Award

Indoor Air Quality

Tools for Schools

The U.S. Environmental Protection Agency congratulates

Fairfield Public Schools

on your voluntary commitment to ensuring good indoor air quality in your school. By implementing EPA's *Indoor Air Quality Tools for Schools Kit and Program*, you are creating a healthy learning and teaching environment for students and staff.

We extend our appreciation and best wishes for continued success.

Thomas P. Cullen
Director of Operations
Fairfield Public Schools
501 Kings Highway East
Fairfield, CT 06825

Dear Mr. Cullen:

On behalf of the U.S. Environmental Protection Agency, I am delighted to inform you that Fairfield Public Schools has been awarded the 2010 *Indoor Air Quality Tools for Schools* Great Start Award. This Award recognizes your school district's commitment to good school health.

EPA appreciates Fairfield Public Schools' commitment to improving the indoor air quality in our nation's schools and protecting the health and safety of students and staff. Furthermore, EPA recognizes that the success of the *IAQ Tools for Schools* Program relies heavily on the contributions of dedicated school districts, such as yourself, that understand the benefits of good indoor air quality.

I encourage you to continue making great strides in addressing IAQ in your school district. In the future, I hope to honor you with the prestigious *IAQ Tools for Schools* Excellence Award to further recognize your IAQ accomplishments and outstanding leadership.

Should you have any questions, please do not hesitate to contact me at (202) 343-9608 or lemon.jennifer@epa.gov.

Best Regards,
