

Leadership Award

Indoor Air Quality

Tools for Schools

The U.S. Environmental Protection Agency congratulates

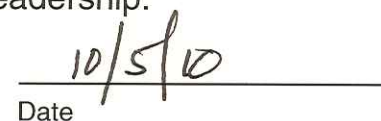

Fairfield Public Schools

for your leadership in providing good indoor air quality in your school. Your progress in using EPA's *Indoor Air Quality Tools for Schools Kit and Program* continues to increase the healthy learning and teaching environment for students and staff.

We extend our appreciation for your unwavering leadership.

OFFICE OF
AIR AND RADIATION

Mr. Thomas P. Cullen
Director of Operations
Fairfield Public Schools
501 Kings Highway East
Fairfield, CT 06825

Dear Mr. Thomas Cullen:

On behalf of the U.S. Environmental Protection Agency, I am delighted to inform you that Fairfield Public Schools has been awarded the 2010 *Indoor Air Quality Tools for Schools (IAQ Tools for Schools)* Leadership Award. This Award recognizes your school district's true commitment to managing indoor air quality issues.

The EPA commends your commitment to improving the indoor air quality in our nation's schools and protecting the health and safety of students and staff. Furthermore, the U.S. EPA recognizes that the success of the *IAQ Tools for Schools* Program relies heavily on the contributions of dedicated school districts, such as yourself, that understand the benefits of good indoor air quality.

I encourage you to continue making great strides in addressing IAQ in your school district. In the future, I hope to honor you with the prestigious *IAQ Tools for Schools* Excellence Award to further recognize your IAQ accomplishments and outstanding leadership. Until then let me congratulate you again on your outstanding commitment to improving the learning environment for students, teachers, and other school staff.

Should you have any questions, please do not hesitate to contact me at (202) 343-9608 or lemon.jennifer@epa.gov.

Best Regards,
