

# GRADE 8 SPANISH

## Description

This year-long course is an introductory course that reinforces, refines and expands concepts taught in previous grades. It provides a basic foundation in Spanish through reading, writing, listening and speaking. The emphasis is on acquiring basic grammatical structures, vocabulary and idioms to further communicate in Spanish. Students are also exposed to the geography and culture of Spanish-speaking countries.

## Course Overview

### Course Goals

Students should:

### Essential Questions

- How do I use another language to communicate with others?
- How do I understand what others are trying to communicate in another language?
- How do I present information, concepts and ideas in another language in a way that is understood?
- How do I use my understanding of culture to communicate and function appropriately in another culture?
- How do I use my understanding of another language and culture to reinforce and expand my knowledge of other disciplines, and vice versa?
- How do I use my understanding of another language and culture to broaden and deepen my understanding of that language and culture and access and use information that would otherwise be unavailable to me?
- How do I demonstrate an understanding of the similarities, differences and interactions across languages?
- How do I demonstrate an understanding of the similarities, differences and interactions across cultures?
- How do I use my knowledge of language and culture to enrich my life and broaden my opportunities?

**Unit 1 - Where We Live, 4 weeks [top](#)**

**Standards**

***Connections (Intradisciplinary Mode)***

**In at least one language other than English, students will acquire and use information from a variety of sources only available in the world language.**

Students will:

- use multiple media resources to expand their understanding of the target culture(s) and integrate it with their existing knowledge base.

***Comparisons Among Cultures***

**In at least one language other than English, students will demonstrate an understanding of the concept of culture through comparisons across cultures.**

Students will:

- use new information and perspectives to identify universals of human experience across cultures and to demonstrate empathy and respect for the people(s) of other cultures.

**Unit Objective**

Students will be able to:

- describe a home and its contents.

**Essential Questions**

- How do I use my understanding of another language and culture to broaden and deepen my understanding of that language and culture and access and use information that would otherwise be unavailable to me?
- How do I demonstrate an understanding of the similarities, differences and interactions across cultures?

**Focus Question**

- How do I describe different types of housing?

**Assessment**

- “Selling a home in Ecuador” Students will pretend to be a real estate agent. They must present a home in Ecuador.

**Skill Objectives**

Students will:

- identify rooms of a home.
- identify furniture and items found in a home.
- utilize ordinal numbers.
- differentiate the uses of ser and estar.
- create a graphic organizer comparing housing in Ecuador and the U.S..

**Unit 2 – Planning a Celebration, 4 weeks [top](#)**

**Standards**

***Communication (Interpersonal Mode)***

**In at least one language other than English, students will engage in conversation and correspondence, provide and obtain information, express feelings and exchange opinions.**

Students will:

- give and follow directions in order to travel from one location to another and ask questions for clarification.
- work in groups to plan events and activities to be carried out in the target language, evaluate their efforts and identify ways to improve their communication in the target language.

***Communities***

**In at least one language other than English, students will use the world language and their cultural knowledge both within and beyond the school setting for personal enjoyment, enrichment and active participation.**

Students will:

- exchange information about family, school events and celebrations with native speakers via letters and technologies, such as e-mail, audio or videotapes, CDs, DVDs and distance learning.

**Unit Objectives**

Students will be able to:

- plan a celebration.
- compare and contrast celebrations in Ecuador and in their own country.

**Essential Questions**

- How do I use another language to communicate with others?
- How do I use my knowledge of language and culture to enrich my life and broaden my opportunities?

**Focus Questions**

- What do I do to plan a celebration?
- What are some celebrations in Ecuador?

**Assessment**

- “Plan a Party!” Students will create invitations, list chores that must occur to prepare for the party, and plan the food and entertainment.

**Skill Objectives**

Students will:

- identify words related to planning a celebration.
- generate a list of chores.
- conjugate the verbs dar, decir, poner, salir, traer, and venir in the present tense.
- give affirmative tú commands.
- use acabar de and infinitive to indicate activities that have just happened.
- describe a celebration in Ecuador.

**Unit 3 - Sports, 4 weeks [top](#)**

**Standards**

***Communication (Interpretive Mode)***

**In at least one language other than English, students will understand and interpret spoken and written language on a variety of topics.**

Students will:

- work individually to collect data on familiar topics from various print, digital and electronic resources.

***Cultures***

**In at least one language other than English, students will demonstrate an understanding of the products, practices and perspectives of the cultures studied, and will use their cultural knowledge for interpersonal, interpretative and presentational communication.**

Students will:

- participate in age-appropriate cultural activities, including, but not limited to adolescent games (e.g., card, board, computer and outdoor games), sports-related activities, music, television and the Internet.

***Connections (Interdisciplinary Mode)***

**In at least one language other than English, students will reinforce and expand their knowledge of other areas of study through the world language, and vice versa.**

Students will:

- use new information and critical thinking gained through world language study to expand their personal knowledge.

**Unit Objectives**

Students will be able to:

- talk about sports.
- discuss whom and what they know.

**Essential Questions**

- How do I understand what others are trying to communicate in another language?
- How do I use my understanding of culture to communicate and function appropriately in another culture?
- How do I use my understanding of another language and culture to reinforce and expand my knowledge of other disciplines, and vice versa?

**Focus Questions**

- How do I talk about sports?
- How do I talk about people and things I know?

**Assessment**

- “Famous Athletes” Students will give an oral presentation as a famous Latino/ Spanish athlete

**Skill Objectives**

Students will:

- identify words used to talk about sports.
- conjugate the verb jugar in the present tense.
- conjugate the verb saber in the present tense.
- conjugate the verb conocer in the present tense.
- differentiate the uses of saber and conocer.
- utilize the personal a correctly.
- list some sports played in the Dominican Republic.

**Unit 4 - Staying Healthy, 4 weeks [top](#)**

**Standards**

***Communication (Interpersonal Mode)***

**In at least one language other than English, students will engage in conversation and correspondence, provide and obtain information, express feelings and exchange opinions.**

Students will:

- exchange information with peers and the teacher (both face-to-face and in writing) about events in their everyday lives and experiences from their past.

***Communication (Presentational Mode)***

**In at least one language other than English, students will present information, concepts and ideas to listeners or readers on a variety of topics.**

- prepare a diary of their daily activities and those of their families and friends in the target language.

**Unit Objectives**

Students will be able to:

- talk about what physically hurts.
- talk about what happened in the past.
- compare and contrast popular outdoor activities in the Dominican Republic and the U.S..

**Essential Questions**

- How do I use another language to communicate with others?
- How do I present information, concepts, and ideas in another language in a way that is understood?

**Focus Questions**

- How do I talk about what hurts?
- How do I talk about what happened in the past?
- What are some popular outdoor activities in the Dominican Republic?

**Assessment**

- Scrapbook - Design a page for a scrapbook describing what you did last summer. Include visuals and a written description.

**Skill Objectives**

Students will:

- generate a list of words related to health.
- identify body parts.
- name some outdoor activities.
- conjugate the verb *doler* in the present tense.
- conjugate the regular –ar verbs in the preterit tense.
- conjugate the preterit regular verbs that end in –car, –gar, and –zar.
- create a graphic organizer comparing popular outdoor activities in the Dominican Republic and the U.S..

**Unit 5 - Technology, 4 weeks** [top](#)

**Standards**

***Comparisons Among Cultures***

**In at least one language other than English, students will demonstrate an understanding of the concept of culture through comparisons across cultures.**

Students will:

- compare and contrast art forms, such as music and songs across cultures.

***Communities***

**In at least one language other than English, students will use the world language and their cultural knowledge both within and beyond the school setting for personal enjoyment, enrichment and active participation.**

Students will:

- use various media from the target language and culture for entertainment.

**Unit Objectives**

Students will be able to:

- talk about technology and cybercafés.
- talk about what happened in the past.
- talk about indefinite or negative situations.
- compare and contrast typical music and art forms in Argentina and the United States.

**Essential Questions**

- How do I demonstrate an understanding of the similarities, differences and interactions across cultures?
- How do I use my knowledge of language and culture to enrich my life and broaden my opportunities?

**Focus Questions**

- How do I talk about technology?
- How do I talk about what happened in the past?
- What are some typical music and art forms in Argentina?

**Assessment**

- “Buenos Aires Webquest” Students will simulate a trip to Argentina and write a virtual postcard recounting what they saw and did.

**Skill Objectives**

Students will:

- generate a list of Vocabulary related to Technology.
- utilize affirmative and negative words appropriately.
- conjugate regular -er verbs in the preterite.
- conjugate regular -ir verbs in the preterite.
- identify music and art forms in Argentina.
- define cybercafé.

**Unit 6 – Weekend Attractions, 4 weeks [top](#)**

**Standards**

***Comparisons Among Languages***

**In at least one language other than English, students will demonstrate literacy and an understanding of the nature of language through comparisons across languages.**

Students will:

- use oral and written language to relate their own experiences and construct their own stories.

***Comparisons Among Cultures***

**In at least one language other than English, students will demonstrate an understanding of the concept of culture through comparisons across cultures.**

Students will:

- solicit their peers’ opinions on aspects of culture through face- to-face contact or written exchanges and compare this information with how their peers in the target culture(s) view the same topic.

***Communities***

**In at least one language other than English, students will use the world language and their cultural knowledge both within and beyond the school setting for personal enjoyment, enrichment and active participation.**

Students will:

- interact with members of the local community who are employed in a variety of professions to learn how they use the target language in their work.

**Unit Objectives**

Students will be able to:

- to say where they went, how it was, and what they did.
- make a phone call and extend an invitation.
- list words and expressions related to making phone calls.
- identify various factors that have influenced Argentine food.

**Essential Questions**

- How do I demonstrate an understanding of the similarities, differences, and interactions across cultures?
- How do I use my knowledge of language and culture to enrich my life and broaden my opportunities?
- How do I demonstrate an understanding of the similarities, differences, and interactions across languages?

**Focus Questions**

- How do I talk about and describe where I go on the weekend?
- How do I talk on the phone?
- What is Argentine food like?

**Assessment**

- Journal entry - Students will write a journal entry about what they did the previous weekend. They will then use classzone.com to listen to and read about what Latin American children do in their free time. Students will then compare what the experiences are on a graphic organizer.

**Skill Objectives**

Students will:

- identify attractions.
- generate a list of words used to extend an invitation.
- list words and expressions related to

		<p>making phone calls.</p> <ul style="list-style-type: none"><li>• conjugate ser in the preterit.</li><li>• conjugate ir in the preterit.</li><li>• conjugate hacer in the preterit.</li><li>• utilize the correct pronouns after a preposition.</li><li>• identify traditional Argentine food.</li></ul>
--	--	---

**Unit 7 – Daily Routines, 4 weeks [top](#)**

**Standards**

***Communication (Interpretive Mode)***

**In at least one language other than English, students will understand and interpret spoken and written language on a variety of topics.**

Students will:

- begin to make informed hypotheses about the meaning of unfamiliar, more complicated passages in the target language, based on contextual clues.

***Communication (Presentational Mode)***

**In at least one language other than English, students will present information, concepts and ideas to listeners or readers on a variety of topics.**

Students will:

- prepare audio or visual messages in the target language for their peers in the target culture on topics of personal interest in their daily lives.
- summarize the plot and provide brief descriptions of characters in selected poems, short stories, folk tales and anecdotes in the target language.
