

Fairfield World Wide Web Student Use Agreement Form

SECONDARY SCHOOL STUDENTS

We are pleased to offer students of the Fairfield Public School District access to the district computer network. For World Wide Web (WWW) use, all students must obtain parent or guardian permission and must sign and return this form to the school they attend.

Access to the WWW will enable students to explore thousands of libraries, databases, and bulletin boards throughout the world. Families should be warned that some material accessible via WWW may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe the benefits of accessing the WWW, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media information sources. To that end, the Fairfield Public School District supports and respects each family's right to decide whether or not to consent to access.

District Network Guidelines

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school and district rules for behavior and communications apply.

The network is provided for students to conduct research. Network access is given to students who agree to act in a responsible manner. Parental permission is required, and parents or guardians must agree to a waiver of claims and an indemnification/hold harmless provision, which is set forth on the permission form below. Access is a privilege, not a right. Access entails responsibility.

NOTE: In compliance with The Children's Internet Protection Act, the Fairfield Public Schools has adopted Internet safety policies, and filters access to "inappropriate" materials online.

Please return the original and yellow copy to your school. Retain the pink copy for your records.
