New Business:

1. Nutrition – prominent topic.
2. Looking for high school students on committee/
 - could have students come in for 1st half hour.
 - Structure meeting around students attendance at beginning of meeting.
 - As high school student leadership group to give us 3-4 names as possible members.
3. 4th grade initial HIV lesson- Lori broadened topic to cover airborne as well as blood-borne pathogens.
4. Pre K Programs- Burr and McKinley
 - preschool teachers pleased to have program documented in Health Curriculum.
 - Will be ready to present to Board of Education in Fall '10
5. Elementary School Health Curriculum revision summer work- Lori sought teacher input
 - topics suggested to address: food allergies, sharing water bottles/ athletes.

Next meeting: Wednesday, May 12, 2010 at 7:00 – Fairfield Woods Middle School – room 137.
